OBJECTIVE

Seeking an internship/job opportunity in software development as a fresher, where I can apply my technical skills in web technologies, database management, and problem-solving. Eager to learn and work with modern frameworks like Django, enhance my full-stack development expertise, and contribute to innovative projects while gaining hands-on industry experience.

SKILLS

Technical Skills :

Frontend (HTML, CSS, JavaScript) – Proficient in building responsive and interactive user interfaces using HTML for structure, CSS for styling, and JavaScript for dynamic behavior.
Backend (PHP, Django) – Experienced in developing server-side applications using PHP for web development and Django (Python-based framework) for scalable, secure backend solutions.
Database (MySQL) – Skilled in designing, managing, and optimizing relational databases using MySQL, ensuring data integrity and efficient querying.
Programming Languages (C++, Python) – C++ for strong problem-solving, object-oriented programming, and performance optimization; Python for data processing, automation, and web development.

Behavioral Skills:

Problem-Solving & Logical Thinking – Strong analytical skills with a logical approach to challenges.

Teamwork & Collaboration – Excellent coordination and communication in group projects.

Adaptability & Learning – Quick to grasp new technologies and environments.

Leadership & Event Management – Proven experience in organizing events and managing responsibilities.

Communication & Presentation – Strong skills for technical discussions and public speaking.

Time Management & Prioritization – Efficiently handling multiple tasks and meeting deadlines.

EDUCATION

Bachelor of Computer Applications — **July 2022 - May 2025**
ADACS College Hatakanagale
CGPA: 8.0/10

Higher Secondary Education (Class XII) — **June 2021 - March 2022**
KLE's SSMS PU COLLEGE, Athani
Percentage: 51 %

Secondary Education (Class X) — **June 2019 - March 2020**
GKHS HighSchool , Machhe
Percentage: 87 %

PROJECTS

- **Online Boutique Store (Minor Project) –** Developed a frontend e-commerce platform with modules for Women, Men, and Accessories, using HTML, CSS, and JavaScript. Focused on creating an intuitive UI and seamless navigation for users. Ensured responsiveness and user-friendly design for a smooth shopping experience.
- **Personal Portfolio Website –** Designed and developed a portfolio website showcasing skills, projects, and experience. *(Link : https://sumod2405.github.io/Portfolio/)*. Implemented a responsive design to ensure accessibility across all devices. Integrated animations and interactive elements to enhance user engagement.
- **Mini Python Projects –** A collection of small projects, including a Coffee Order System, a Simple ATM Simulator, and a Bank Account Management System with inheritance. Demonstrated proficiency in Python programming, logic building, and basic OOP concepts. Focused on improving efficiency, error handling, and user input validation

CERTIFICATIONS

- **GCC TBC TYPING Certification (2024) :** Typing Certificate in 30 WPM and 40 WPM
- **WEPP Certification (2025) : .**Web Programming with Python along Django (ongoing)

HOBBIES & INTEREST

- Playing Cricket
- Browsing Net
- Reading Books
- Spending Time with Children

AWARDS AND RECOGNITION

- **Best Social Worker Award** in High School
- **Ideal Student or Adarsh Vidyarthi** in Primary School

Extracurricular Activities & Competitions

✓ Quiz Competitions

- **Zonal Level Quiz Competition – 1st Position** (9th Grade)
- **School Level Quiz Competition – 1st Position** (10th Grade)

✓ Debate Competitions

- **3rd Place** – Developed strong public speaking and argumentation skills

✓ Poster Competition

- **1st Position** – Showcased creativity and design skills on Indian Constitution Day

✓ Organizing Committee Leader

- Led the organizing team for the **Freshers' Party & Workshop** (Oct 2023)
- Managed event planning, coordination, scheduling, and execution
